## **NOTICE TO POTENTIAL PLAINTIFFS**

TO: All Current and Former Lab Technicians II and Lab Technicians III employed

by Food Safety Net Services, Ltd. working in FSNS's Grand Prairie, Texas; San Antonio, Texas; Phoenix, Arizona; Green Bay, Wisconsin; Columbus, Ohio; Plainwell, Michigan; or Covington, Georgia laboratories from August 18,

2011 to the present.

RE: Right to Join Lawsuit Seeking Unpaid Overtime from FSNS

DATE: DATE OF MAILING

#### 1. PURPOSE OF NOTICE

If you worked for Food Safety Net Services, LTD ("FSNS") as a Laboratory Technician II or Laboratory Technician III at any time after August 18, 2011, you may be entitled to overtime wages and have a right to join an overtime lawsuit filed against FSNS. The purpose of this notice is only to inform you of your right to join the lawsuit if you choose to do so.

#### 2. DESCRIPTION OF THE LAWSUIT

Almuiz Altiep and Tafsir Shawkat ("Plaintiffs"), who were Laboratory Technician IIs or Laboratory Technician IIIs, have filed a lawsuit in the United States District Court for the Northern District of Texas claiming FSNS failed to pay them overtime pay required by

The United States Federal District Court in Dallas approved this Notice but takes no position on the merits of the case.

federal law. The lawsuit claims that FSNS' practice of paying these employees a salary and classifying them as "exempt" employees was incorrect. The lawsuit claims that FSNS illegally failed to compensate Laboratory Technician IIs and Laboratory Technician IIIs for their overtime work when they worked more than 40 hours in a week.

The lawsuit is seeking money to compensate these individuals for their unpaid overtime. The Court has not yet decided if FSNS did anything wrong or if the case will proceed to trial. There is no money available now and no guarantee that there will be. However, you have a choice to assert your legal rights and join this case. If you do not do so, you will not share in any money if any is awarded in the case.

FSNS denies any wrongdoing and denies Plaintiffs' allegations. FSNS contends that it has properly compensated its employees under the FLSA. FSNS believes that it properly classified and paid Laboratory Technicians IIs and Laboratory Technicians IIIs as salaried exempt individuals, not entitled to overtime under the FLSA, and does not owe any additional wages.

#### 3. POSSIBLE RECOVERY

If the Laboratory Technician IIs or Laboratory Technician IIIs win, and you worked overtime, you may get an amount up to two times the unpaid overtime wages you should have received. Mr. Miltenberger and his law firm are representing the individuals on a contingency fee basis, which means if there is no recovery, they receive no attorneys' fees. If there is a recovery, they will be paid a percentage of the monetary judgment or settlement for you and other class members. If the workers lose, you will get nothing. If the workers win, and you worked overtime, you will be paid for the overtime hours you worked.

#### 4. HOW TO PARTICIPATE IN THIS LAWSUIT

If you want to join the lawsuit, fill out the enclosed *Consent to Join* form and mail, email or fax it back to Mr. Miltenberger's law firm. It must be mailed or received by [60 days after mailing]; otherwise, you will not be able to participate in this case.

## 5. EFFECT OF JOINING THIS LAWSUIT

If you wish to join the lawsuit, mail in your *Consent to Join* form by [60 days after mailing]. If you choose to join in the case, you will be bound by the result achieved, whether it is

The United States Federal District Court in Dallas approved this Notice but takes no position on the merits of the case.

favorable or unfavorable. You may have to answer questions about your claim, respond to written discovery requests and/or provide testimony.

## 6. EFFECT OF NOT JOINING THIS LAWSUIT

If you do not wish to join the lawsuit, simply do nothing. You will not be bound by the outcome, whether favorable or unfavorable.

## 7. NO RETALIATION PERMITTED

It is a violation of federal law for employers to discharge or in any manner discriminate or retaliate against you for taking part in this case. If you believe that you have been discriminated against because of your participation in this lawsuit, you should contact Mr. Miltenberger.

#### 8. FURTHER INFORMATION

To learn more, you can call Chris Miltenberger, the workers' attorney, at 1-817-416-5060. The call is confidential. Or write or email to:
